Inauguration Ceremony

During his inaugural address, Gov DeSantis portrayed Florida as "a citadel for freedom," "where 'woke' goes to die," and as an overall model for the country. The inauguration ceremony had over 3,000 attendees.

He spoke of a "floundering federal establishment in Washington"

highlighting the inflation rate, its response to COVID-19, and the migrant crisis at the southern border.

"Florida is proof positive that we the people are not destined for failure. Decline is a choice. Success is attainable, freedom is worth fighting for".

He noted Florida's high net-migration rate, and he criticized other states "embraced faddish ideology" exemplified by criminal justice reform.

"The policies pursued by the states have sparked a mass exodus of productive Americans from these jurisdictions, with Florida serving as the most desired destination, a promised land of sanity".

New County Council Members Assume Office

Five new County Council members...
Jake Johansson (At Large) Don Dempsey (Dist 1) Matt Reinhart (Dist 2) Troy Kent (Dist 4) and re-elected Danny Robins (Dist 3) were sworn in. **David Santiago (Dist 5)** will be sworn in at a later meeting.

Council Chair Jeff Brower is midway in his 4 year term (2024).

Each spoke about the issues they'd like the Council to focus on during the next two years.

Most pressing issue...beach restoration and its impact on our tourist market.

SunRail's Extension to Deland.....

SunRail trains on a new 12-mile DeBary - DeLand stretch (under construction) should begin April or May next year. A SunRail depot will be built next to the AmTrak station.

Once completed, SunRail will run 61 miles from DeLand to Poinciana. Approx cost to Volusia - \$8.5 million.

Once this segment is complete, FDOT plans to

shift operating costs to the Central Fla Commuter Rail Commission (Volusia, Seminole, Orange, Osceola counties and Orlando). Staff has been adjusting the budget to accommodate this new expense.

It's likely that Lynx, the Orlando area bus system, will operate SunRail.

Round 15 vote scheduled 10:00 pm TONIGHT

On their 13th round, the US House was unable to reach a consensus on a Speaker.

Most important would allow any one member to introduce a motion which could force a vote on removing the House Speaker.

Other concessions.....

- adding more house freedom caucus members to the Rules Committee
- holding votes on term limits and border security bills....cap spending

Vote Tally (218 needed to win)

- **214 Rep Kevin McCarthy - R**

Democrats have slim 51-49 majority over Republicans (note – that 51 includes 3 Independents that caucus with Democrats).....allowing advantages compared to the 50-50 split.

Democrats have majorities on committees, allowing them to process legislation and nominations much faster.....

Centrist Democrats may not hold as much power over Democrats' agenda. A two-seat majority margin allows Democrats more leeway to pass legislation without needing support moderates

WV Sen Joe Manchin and Ariz Sen Kyrsten Sinema(Independent)...both face reelection in '24.

VP Harris might not be needed as often to break tie votes on nominations and legislation, something she's done 26 times in the current 50-50 Senate.

Sen Kyrsten Sinema, Ariz, now registered an Independent, will still caucus with Democrats to their narrow vote majority in the Senate. 2 Senate Independents...Bernie Sanders (Vermont),

Government Vocabulary....

A **filibuster** is used in the [U.S. Senate](#) to delay/block a vote on a measure by preventing debate on it from ending. Very few restrictions...a senator who seeks recognition is entitled to speak for as long as they wish AND only when debate ends can a vote take place.

Senate Rules require 60 votes to invoke cloture i.e. limit debate on a bill for a further 30 hours.

In practice, most bills cannot pass the Senate without the support of at least 60 senators.

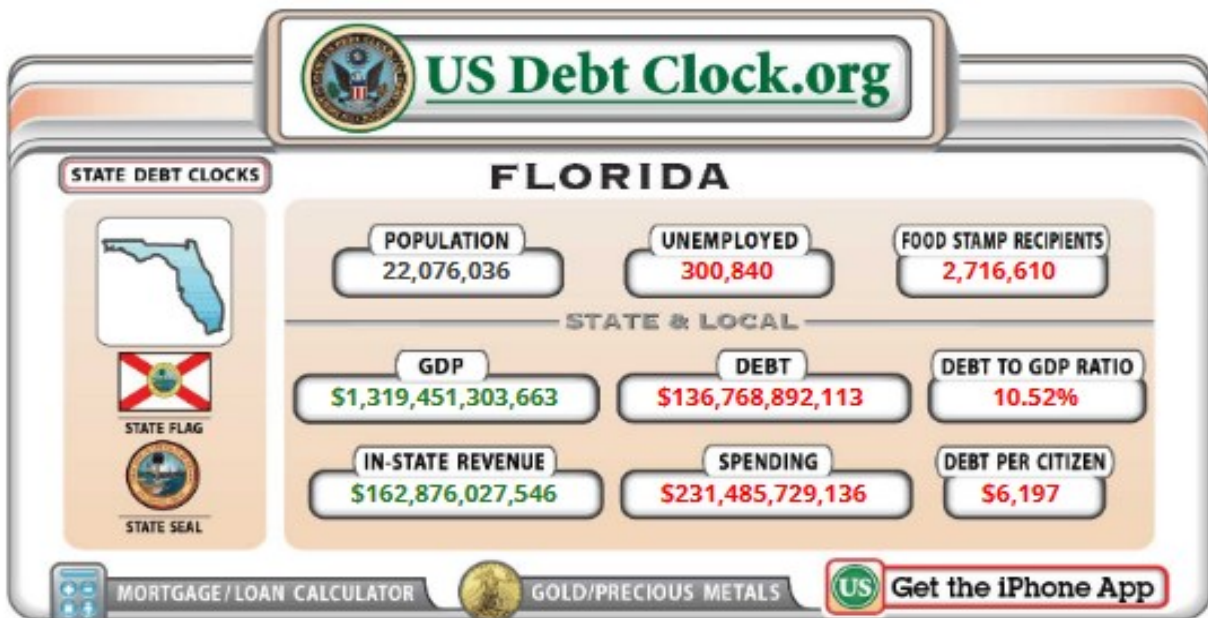

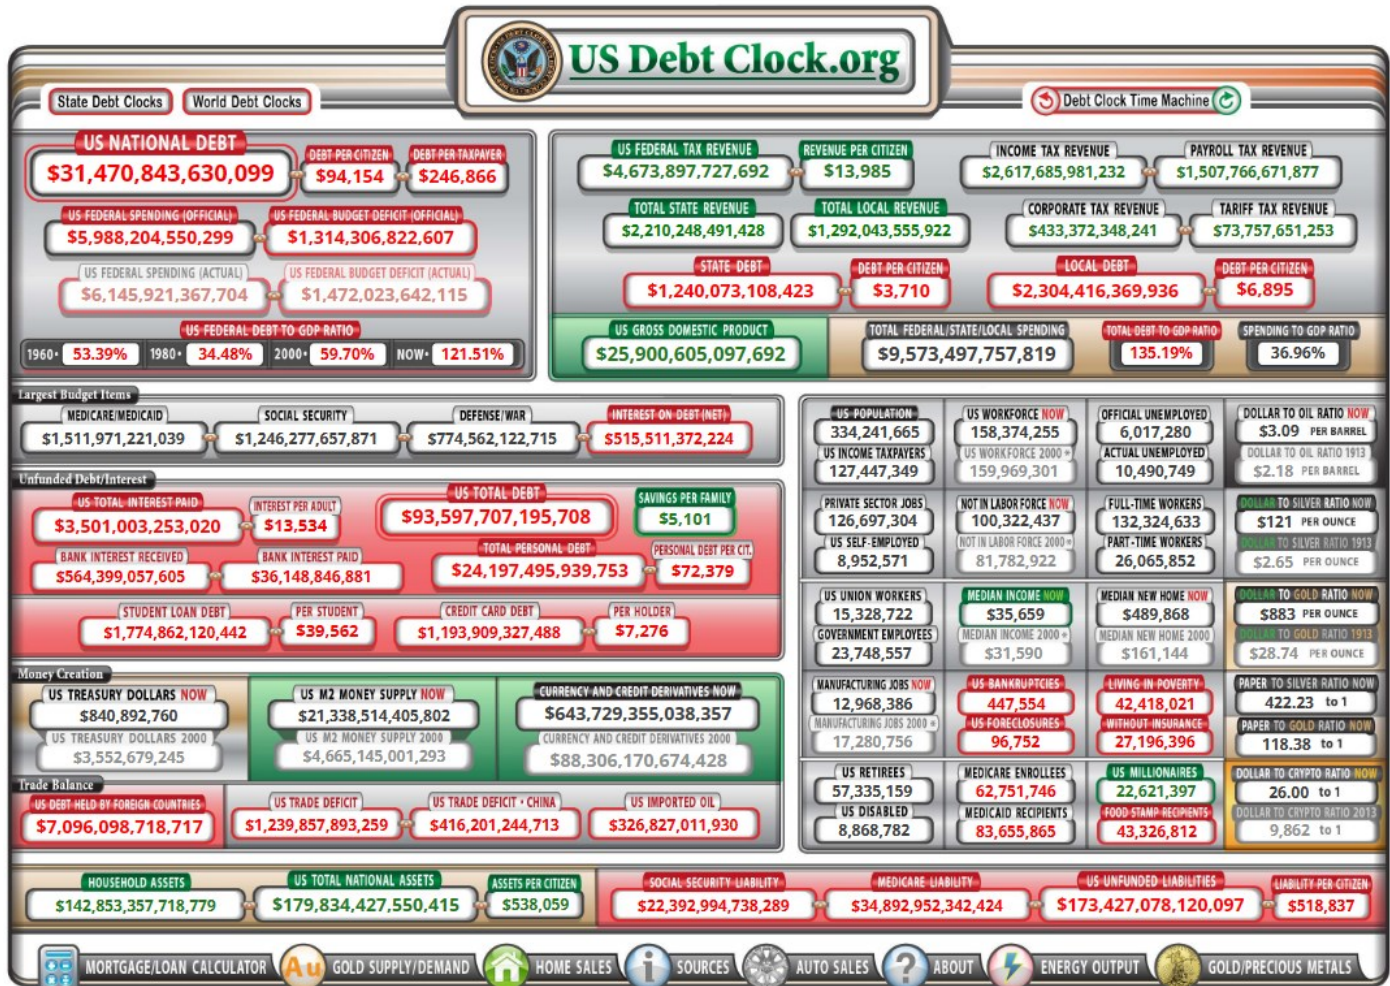

Recent changes were made to allow the [nuclear option](#), which lets Senate to override its own 60-vote Standing Rule, by simple majority.

Mean high-water: The average height of the high waters over a 19-year period. For shorter periods of observation, "mean high-water" means the average height of the high waters after corrections are applied to eliminate known variations and to reduce the result to the equivalent of a mean 19-year value.
Mean high-water line: The intersection of the tidal plane of mean high-water with the shore.

He later was appointed as Beach Safety Ocean Rescue Director 2013-2016 and moved up to Deputy Director of Public Protection from 2016-2021 where he then became Interim Director.

Congratulations Mark.... We enjoy working with you!

December 6 – County Council "re-confirmed" **Jim Judge** to his old job as Dept Director of Emergency Services where he served since 2014 until he retired in 2021.

Why are State Dept Administrators Resigning?

NOTE – BEGINNING Jan 1, 2023.....Legislators and judges who leave office are **prohibited from lobbying the Legislature or executive branch for SIX years** per HB 7001 and HB 7003 (both would implement a constitutional amendment passed by voters in 2018).

It ALSO applies to leaders of state agencies under DeSantis or the Cabinet (ex-lawmakers/agency heads can still lobby city and county governments).

December 28 - **David Altmaier** stepped down at Fla's Insurance Commissioner after playing a major role in legislature approving major property insurance reforms in Special Session last month.

As state's top insurance regulator, he oversaw industry rate filings, investigated insurers' behavior and declared insurers insolvent.

Since 2019, eight companies have gone insolvent...others have stopped writing new policies or pulled out of Fla which led to homeowners' premiums three times the national average.

Or- Altmaier believes the recent legislation will eventually lead to lower premiums.

The prohibitions would also include:

- Statewide elected officers;
- Members of the Legislature;
- County Commissioners/Councilmembers;
- Constitutional county officers charter officers;
- School board members/superintendents;
- Elected municipal officials,
- Secretaries, executive directors, *other administrative heads of executive branch departments*
