Volusia County Government will receive \$328 million in Community Development Block Grant Disaster Recovery funds

from the US Dept of Housing and Urban Development (HUD). These funds are to be used for disaster relief, long-term recovery, restoration of infrastructure, housing, and economic revitalization in distressed areas.

HUD representatives will contact the county with additional details, and the county will meet with cities, nonprofits and residents to assess the community's needs for long-term improvement and investment.

Once the plan has been drafted, there will be a public comment and resident meetings to provide feedback and recommendations. The proposed plan will come before the County Council for their approval, then submitted to HUD for execution.

New Airlines at DBIA!

At their April 4 meeting, the County Council agreed to a revenue guarantee incentive enlist a new low-cost airline. This is a backup fund to help a new airline to meet revenue projections...if all goes well, that fund will not be needed. SO [Avelo Airlines](#) which will start nonstop flights from Daytona Beach to New Haven, Connecticut, June 22!

DB Intl and the southern Connecticut/New York region has potential for a strong customer base. Airport Spokeswoman Joanne Magley said, while they're still trying to get direct New York service, Avelo is a good option regarding fares since New Haven is basically service for southern Connecticut and the New York region.

While service starts June 22, tickets are on sale

now starting at \$49 one way....no frills....checked bags are extra...bring your own drinks/snacks.

AND Avelo is ALSO talking about a second location up north to be announced of a later date.

Fla House and Senate drafting 2023-24 Budget

Last week, the House and Senate have approved similar but separate state budget proposals.....[HB 5001](#) and [SB 2500](#).

Gov DeSantis is proposed a [\\$114.8 billion budget](#) while our own House Appropriations Chair presented a \$113 billion plan, and the Senate's plan would spend \$113.7 billion.

The House and Senate are taking different approaches to budgeting education dollars. The House budget includes a major private school voucher expansion.

The K-12 schools budget includes \$21 billion, or \$8,700 per student. The House budget proposes increasing the base student allocation by \$761 vs \$182 recommended by the Senate. But the House plan also allows school districts more flexibility in how they spend certain funds.

2022 - Volusia County had \$301 million wealth influx. This is the amount of Adjusted Gross Income from people migrating INTO the County.

Fla expects to add 350,000 more residents in 2023

Volusia School District has 87 schools
45 Elementary
12 Middle
11 Alternative / Special Center
9 High
7 Charter
2 Combination
1 District Virtual Instruction Program
The School District has over 61,400 students, over 7,600 employees, Fla's 14th largest district.

Local Government Update.....

Daytona Beach - last month, Cong Michael Waltz announced Army Corp of Engineers flood study....in addition, FDOT has begun their annual canal maintenance of the Nova Rd canal.....Crews will remove trash, trees/vegetation, and any extra silt.

The final task to be done in early summer and maintained throughout hurricane season, is removing vegetation that might block water flow during a storm event. Hopefully it'll help deter flooding.

FDOT improvements have begun on E ISB.....

Mayor Derrick Henry - "This is the gateway to Daytona Beach and we welcome 10 million visitors annually."

FDOT will be paying most of the \$22 million facelift. City crews and TECO gas began locating utility lines. Six-foot-wide sidewalks will be added on the north side of ISB, 10-foot-wide ones on the south, and medians with landscaping will be added in the middle.

Construction is expected to begin in June. For more info, go to the project page on FDOT's Central Fla Roads website, www.cflroads.com.

Port Orange Riverwalk Project Updates Site Plan

The Bristol Development team met March 30 to begin the review process of the Master Development Agreement (MDA) and site plan for their riverfront mixed-use project. The team provided city staff an overview of their proposed Riverwalk project and design elements including private streets, on-street parking, stormwater, building height, streetscapes, etc.

A follow-up meeting will be scheduled soon to make revisions to the site plan before submitting the formal development applications for the project.

Conceptual design of the Riverwalk project and site map.

Newly elected Dist 7 [Cong Cory Mills](#) held a Townhall meeting in Deltona March 16 with approximately 100 attendees

He sits on the Armed Services Committee and Foreign Affairs Committee.

Now as for small business....he supports

- HR 159 chance to compete act,
- HR 400 investing in Main Street Act

He reiterated his support for HR 73 which states that Medicare and Social Security provide an essential benefit to current enrollees and should be strengthened for future generations.

He supports HR 21 **Protect Our Lands** to prohibit China from purchasing public or private real estate located in the United States. Fla legislature is working on a similar bill at the State level.

He supports limits to draw down petroleum/ strategic reserves until Dept of energy submits a plan to Congress to increase the percent of federal lands leased for oil and gas production

Mills had strong reservations about increasing the debt limit unless spending cuts were approved.

He explained in detail his support for **Kevin McCarthy as House Speaker** and he also supported McCarthy's first order of business to suspend 87,000 new IRS personnel.

Look for more details in my next newsletter.

On a side note...our friend **Debbie Phillips** is working as field rep and office case worker for **Cong Mills**...she's located in their District office in Port Orange City Hall.

- Improved overall safety roads,
- Neighborhoods, Parks
- Higher paying jobs

Deland is launching a campaign to raise funds for homelessness prevention services and reducing panhandling in the community.

The City and the West Volusia Neighborhood Center will launch the Spare Change for Real Change campaign to provide people alternative ways to donate to fund homelessness prevention services.

Signs with a QR code on how to donate will appear in the City's area businesses. Other signs will be placed at intersections where panhandling is prohibited due to safety concerns.

In addition to enforcing the city's existing panhandling ordinance, police officers and Neighborhood Center case workers to assist individuals.

Fla's Congressional Delegation....

There are 535 elected officials in Congress....435 members in the House and 100 in the Senate.

University of Virginia and Vanderbilt University's Center for Effective Lawmaking ranks each Congress on lawmakers based on their ability to usher measures into law.

For the 117th Congress (2021-22).....

[Sen Marco Rubio](#) was ranked 3rd-most effective member of the Senate....somewhat notable since Democrats controlled the Senate for these 2 years. Sen Rubio's 13 bills became laws signed by Democratic President **Joe Biden** last year....

The Center noted Rubio's high ranking despite having a voting record the center scores as ideologically conservative.

[Sen Rick Scott](#) was ranked 11th highest among 50 Republicans in the Senate and 34th out of all 535 members total.

In the last Congress, with House Democrats holding the majority [Cong Michael Waltz](#) was ranked the 16th most effective Republican.

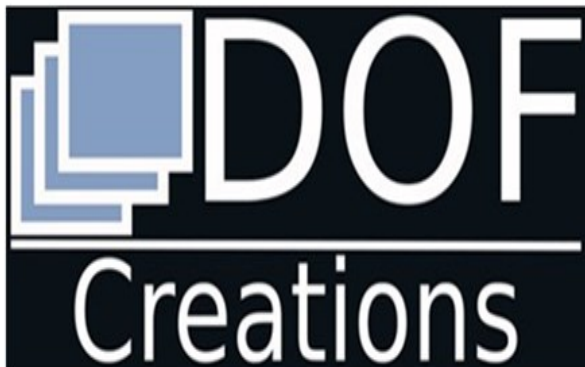

**US Debt Ceiling
\$31.6 trillion
and growing**

US Govt could default on its debts this summer if Congress doesn't raise the debt ceiling

Both Democrats and Republicans are pointing the finger at each other for action not being taken. House Republicans want to use raising the debt ceiling as leverage to achieve spending cuts. Democrats want a clean raise, no spending cuts attached.

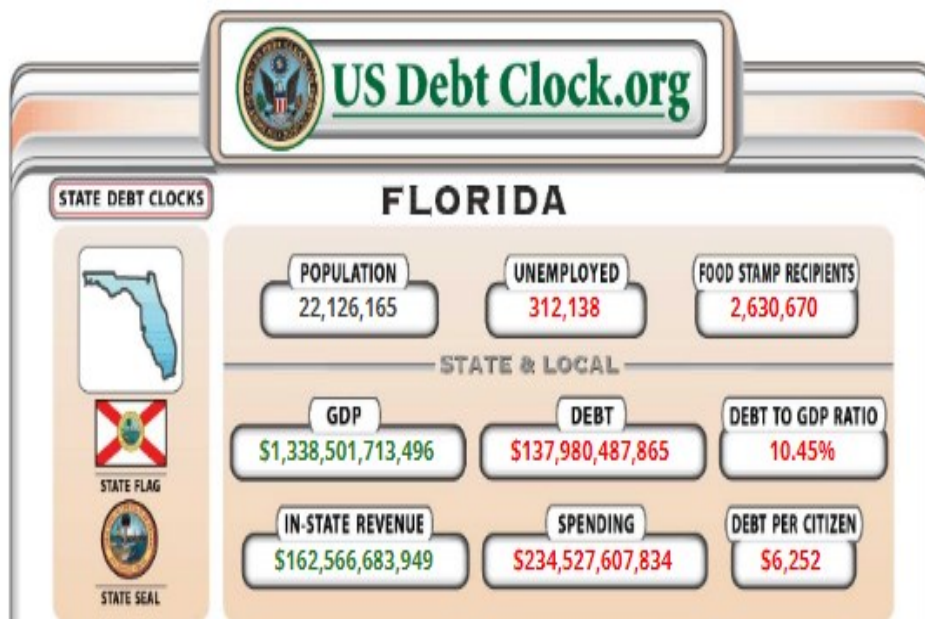

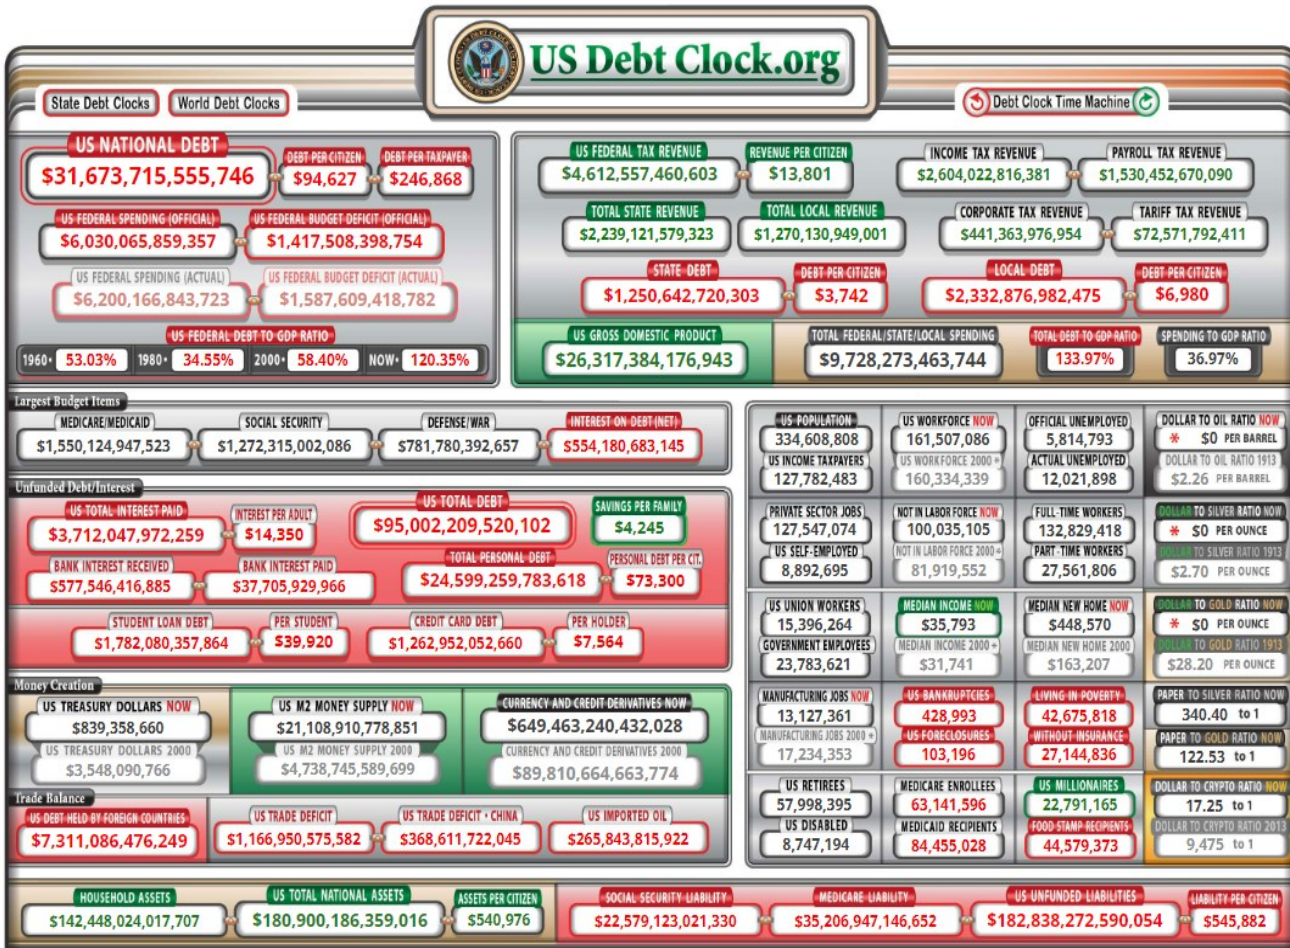

All sides agree that it would mean an economic catastrophe if the US Govt defaults on its debts.....but right now, there seems to be no viable movement towards fixing the looming crisis. It's been rumored in the hallways that Democratic moderates have been a crafting an emergency plan with centrist Republicans, but their ideas do not have approval from the White House or Democratic or Republican leaders. **See Debt Clock on the next page.....**

Daytona Beach Mayor Derrick Henry recently posted that our 82nd Bike week was robust AND there is no truth to the continued rumors that the city aims to end this tourism staple. The City welcomes next year's Bike Week!

....when my daughter, Holley was little and wanted something....she'd say, "you don't need money Dad, just write a check."
